

THE MARKETS.  
Upward Movement in Stocks—Wheat a shade Higher.

**NEW YORK.** July 17.—The stock market was dull and heavy at the opening this morning, first prices generally showing declines of small fractions followed by early deals in some cases by which fell off 1 per cent., but the other losses were generally for small fractions. There was considerable selling again reported for European account early in the day, but there was no general selling in most stocks, but limited in an early stage of the decline, and later in a slow but steady upward movement, this continued with only slight reactions throughout the day. The market finally closed here at 107 1/2, having reached during the day the highest prices reached. Comparing the closing prices this evening with those of yesterday, the market was about 1/2 per cent. lower in some cases amount to more than 1 per cent. It is noteworthy, however, that with few exceptions the market was about 1/2 per cent. lower than the highest quotations yesterday. The market has come easy at 1 to 1 1/2 per cent., and can be expected to continue to fall and quotations unchanged. Government bonds are down and quiet. Total market value: Com., \$12,400,000; stocks, \$21,344,000.
